GOOD TO KNOW

> **Before you print:** choose **Actual size** (or 100%) rather than "Fit to page". That keeps everything square and the tick boxes big enough to mark.

> **How the evening runs:** the couple quiz while guests arrive, Who Is More Likely To at the table, Would You Rather with dessert — the couple answers last.

> **What to print:** every game is a single page — print one copy of each page per table, or one per guest for the write-in games.

> **Nothing else needed.** A pen for each guest, and that is the whole setup. No cutting, no folding, no pieces to lose.

How Well Do You Know the Couple? — *write your best guess*

Everyone answers on their own, then the couple reads out the real answers. A point for each match — most points wins; on a tie, the couple picks the best answer.

1 Where did the couple first meet?

2 Who said “I love you” first?

3 Where did the proposal happen?

4 What song was their first dance?

5 Where did they go on honeymoon?

6 What is their go-to date night?

7 Who is the better cook?

8 What was their first home like?

Who Is More Likely To…? *— which of the two?*

Guests write down which of the two they think fits each line. Then the couple reveals the truth, one line at a time — a point for each match, most points wins.

1. fall asleep first on the couch

2. do the driving on a long trip

3. leave the lights on

4. plan the vacation

5. cry at a movie

6. tell the same story twice

7. do the dishes without being asked

8. lose their keys

9. sing in the shower

10. say sorry first

Would You Rather — *go around the table, everyone answers*

Read one out. Everyone picks a side, and the couple goes last. No winner — just a better story about the two of them.

1. Would you rather renew your vows in a cathedral, or barefoot on a beach?
2. Would you rather relive your wedding day, or your honeymoon?
3. Would you rather never argue again, or never do chores again?
4. Would you rather have a second honeymoon every year, or retire five years early?
5. Would you rather share every hobby, or keep separate ones?
6. Would you rather always know what your partner is thinking, or never have to explain yourself?
7. Would you rather live by the sea, or in the mountains?
8. Would you rather get one more year of youth, or one more year of savings?
9. Would you rather always get the last word, or always get the last slice?
10. Would you rather dance badly in public, or sing badly at home?
