What's inside — *and what you actually need to print*

	GAME	BEST FOR	PRINT

GOOD TO KNOW

> **Before you print:** choose **Actual size** (or 100%) rather than "Fit to page". That keeps everything square and the tick boxes big enough to mark.

> **How the evening runs:** the quiz about the birthday star first, while everyone is fresh; Would You Rather at the table; Never Have I Ever with the cake.

> **What to print:** every game is a single page — print one copy of each page per table, or one per guest for the write-in games.

> **Nothing else needed.** A pen for each guest, and that is the whole setup. No cutting, no folding, no pieces to lose.

Who Knows the Birthday Star Best? *— write your best guess*

Everyone answers on their own, then the birthday star reads out the real answers. A point for each match — most points wins; on a tie, the birthday star picks the funniest answer.

1 In what town was the birthday star born?

2 What was their very first job?

3 What is their go-to karaoke song?

4 What is their favorite meal of all time?

5 What is their most-used catchphrase?

6 What are they most likely doing on a lazy Sunday?

7 What is one thing on their bucket list?

8 What is their proudest achievement?

Would You Rather — *go around the table, everyone answers*

Read one out. Everyone picks a side, and the smaller side has to explain itself. No winner — the birthday star answers last.

1. Would you rather relive the year you were born, or fast-forward to your 100th birthday party?
2. Would you rather have a photographic memory, or never feel tired again?
3. Would you rather give up dessert forever, or give up your phone for a year?
4. Would you rather be famous for something silly, or unknown but genuinely great at something?
5. Would you rather travel only to the past, or only to the future?
6. Would you rather always know when someone is lying, or always get the last slice of cake?
7. Would you rather have a personal chef, or a personal masseuse, for life?
8. Would you rather win the lottery but work forever, or never work again but just get by?
9. Would you rather relive your best day on repeat, or get a brand-new adventure every day?
10. Would you rather be the funniest person in the room, or the smartest?

Never Have I Ever — *put a finger down if you have*

Everyone holds up five fingers. Read a line, and anyone who has done it puts a finger down. Last hand standing wins — if more than one hand is still up after line 10, the most fingers wins.

1. Never have I ever stayed up to watch the sunrise
2. Never have I ever sung karaoke stone-cold sober
3. Never have I ever kept a diary
4. Never have I ever sent a text to the wrong person
5. Never have I ever re-gifted a present
6. Never have I ever pretended to like a gift
7. Never have I ever danced like nobody was watching (they were)
8. Never have I ever told a white lie to get out of plans
9. Never have I ever cried at a wedding
10. Never have I ever forgotten someone's name mid-introduction
