What's inside — *and what you actually need to print*

GAME		BEST FOR	PRINT
1	General Knowledge Trivia 20 questions with answers. The host reads aloud — nothing to cut out.	Any group, any age	page 3
2	Conversation Cards 30 conversation starters in four kinds, for the table or the car.	Any number of players	pages 4-5
3	Backyard & Neighbourhood Hunt 12 things to find in a garden, a park or on a walk.	Kids & families	page 6

GOOD TO KNOW

Before you print: choose **Actual size** (or 100%) rather than "Fit to page". That keeps everything square and the tick boxes big enough to mark.

Short on ink? Page 3 alone is a complete 20-question game. Nothing here needs a second copy unless you want one hunt sheet per team.

Playing with a big group? Print the hunt sheet once per team instead of once per person, and race them against each other.

Nothing else needed. A pen or two, and that is the whole setup. No cutting, no folding, no pieces to lose.

General Knowledge Trivia — *host sheet, answers included*

Read each question aloud. A point per correct answer, or split into teams and keep score.
