What's inside — *and what you actually need to print*

	GAME	BEST FOR	PRINT
1	**Thanksgiving Trivia** 20 questions for two teams, with the answers and a tie-breaker on the host sheet.	Two teams	**pages 3-4**
2	**Thanksgiving Friendly Feud** 5 rounds and a bonus round, with the top answers and their points. Two teams, one host.	Two teams + a host	**page 5**
3	**Thanksgiving Bingo** 12 different cards plus the calling list. Everyone plays their own card.	Up to 12 players	**pages 6-12**

GOOD TO KNOW

> **Before you print:** choose **Actual size** (or 100%) rather than "Fit to page". That keeps everything square and the tick boxes big enough to mark.

> **How the evening runs:** Trivia before dinner (about 15 minutes), the Friendly Feud after the meal (about 20), Bingo with the pie (about 15). Each game names its own winner.

> **What to print:** the host pages once, the answer sheet once per team, and one bingo card per player. Page 3 alone is a complete 20-question game.

> **Nothing else needed.** A pen for each team and each player, and that is the whole setup. No cutting, no folding, no pieces to lose.

Thanksgiving Trivia — *host sheet, answers included*

Thanksgiving Friendly Feud — *host sheet, keep it out of sight*

Teams take turns starting a round. The team in play keeps guessing until it finds all six answers or makes three strikes — a guess that is not on the board. Bingo calling list — *host page*

Everyone plays their own card. Read these out in any order, ticking each as you go. The first player with five in a row — across, down or corner to corner — shouts *Bingo!* and wins. If two players shout on the same word, they both win.
